

South Bronx Overall Economic
Development Corporation

A Request from the Federal Reserve Bank of New York

SoBRO is partnering with the Federal Reserve Bank of New York to find out about your experiences as a business owner in this current economy as well as your credit and loan activities.

BRONX SMALL BUSINESSES: MAKE YOUR VOICES HEARD!

The Federal Reserve Bank of New York wants to hear from small businesses about local economic and credit conditions. Your answers to questions about financing and credit matters will be used to update national and local policy makers. Please tell us about your recent experiences by taking the [Small Business Borrowers Poll](#).

The Survey is available immediately by clicking on the link provided above. Your responses will be submitted and reviewed directly by representatives of the Federal Reserve Bank of New York for inclusion in their comprehensive report to national and local policy makers. We hope that you will participate. Please feel free to forward this information to any other concerned business owners seeking to have their voices heard!

If you have any questions regarding the Survey, please contact Rogina Coar-Smith, Director, Procurement Technical Assistance Center (PTAC) at rcoarsmith@sobro.org or 718-732-7540.

SoBRO, a not-for-profit community development corporation, has been serving the South Bronx since 1972. SoBRO's programs include adult education and workforce training, real estate and community development, technical and financial assistance for businesses, and an array of programs for youth.
